- **Speak Up.** PTA can be a way for you to more effectively be the voice for change at your child's school.
- **Watch Yourself Grow.** As a PTA volunteer, you can use your skills and hobbies for a relevant cause while setting a good example for your child and all the children in the community.
- **Give Back.** By becoming part of PTA, you will be part of the solution, to help make positive changes in your child's school and in the lives of many children.
- **Effectively Engage.** Spend quality time with your children through PTA programs, events and resources. Not only will you show how much you care about them but will also demonstrate the importance you place on their education.
