

October 18th 2018

Sojourner General PTA Meeting

Volunteer Position - We are still in need of a Volunteer coordinator and a Dine Out Coordinator

Scrip - Scrip will be done only a few months out of the year this year during months of high purchase time.

Membership - Thanks to everyone who officially joined the PTA tonight!

PTA Budget -

The LCD price was increased \$600.

There was concern about field trip busses. This will be changed to a field trip fund. There was also concern about Health and Wellness being supported by the PTA. We are not supporting the curriculum, simply buying a carpet for Health and Wellness.

We voted on the 2018-2019 Budget. Budget passed.

Spanish curriculum voted on. Spanish curriculum passed.

Carpet voted on - We will pay half of the cost. Linwood will pay the other half of the carpet. Carpet passed.

Field Trip Money voted on, primary may be a guest speaker. Only offset cost of over all field trips. Equal amount per grade band. Field trip money passed.

Swim Week Money voted on - Amount to be determined at a later date. Cost will be going up this year. Funding the part of swimming week has passed.

Foundation Update -

Procurement letters are mailed out for Auction

Hiring MC for Auction

Auction price \$25, dessert Buffet with Champagne toast

Still looking for folks to shadow. Auction Chairs have kids graduating soon. They would like to train parents to take over while they still have time to train them and pass down all their knowledge.

Raffle will only happen this year if someone steps up to take over. At this point no one has.

Foundation budget was gone over. Budget that was presented was mostly projected costs. Most numbers were from last year. The Foundation will have a much more detailed budget to show everyone in January at our meeting.

Tara presented some information on the Levy coming up for vote in North Clackamas

Enrichment Nights -

Carrie would like to help volunteer with getting Enrichment Nights. She really liked when the founders spoke. Green Team will talk about doing an Earth Day Enrichment Activity.

We have a mom to do the Bingo Night. Date and information to come.
